EDUCATION

Thakur College of Engineering and Technology (TCET)
Bachelor of Technology in Artificial Intelligence & Machine Learning
• CGPA: 9.24 / 10.0

Expected June 2028
Mumbai, India

LR Tiwari College of Science and Commerce
Higher Secondary Certificate (HSC) – Science (Computer Science)
• Percentage: 74%

June 2022 – March 2024
Mumbai, India

EXPERIENCE

Vice-Chairperson
TCET GFG Committee

July 2026 – Present
Mumbai, India

- Driving planning and execution of coding events, including hackathons and speaker sessions with industry experts.
- Leading cross-functional teams to improve participation and strengthen coding culture within the community.

Technical Lead
Super-AI Community

July 2026 – Present
Mumbai, India

- Leading technical initiatives, including conducting sessions for 70+ participants and improving structured learning.
- Managing website development and overseeing technical team projects to enhance club infrastructure.

Technical Team Member
TCET GFG Committee

July 2025 – June 2026
Mumbai, India

- Assessed over 60 student projects submitted during the CodeFlex event, providing detailed feedback that improved clarity and functionality for participants.
- Assisted in organizing technical sessions and speaker events, coordinating with team members for smooth execution.

PROJECTS

StudyVault | *React, Node.js, Express.js, MongoDB*

June 2026 – July 2026

- Built a full-stack MERN platform supporting 100+ resource uploads with RESTful APIs and secure file handling using Multer.
- Implemented secure file handling with real-time virus scanning and JWT authentication, preventing potential security threats.
- Implemented CRUD operations, file handling with Multer, and scalable backend architecture; deployed using Vercel and Render.

College Comparison Platform | *React.js, Firebase*

May 2026 – June 2026

- Developed a full-stack web application using React.js and Firebase, enabling side-by-side comparison of 2–3 colleges across multiple parameters (fees, placements, courses).
- Implemented real-time data handling with Firestore, and responsive UI; deployed on Firebase Hosting for scalable performance.

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, HTML/CSS
Frameworks: Bootstrap, Node.js, Express.js, REST APIs
Databases: MongoDB, Firebase
Libraries: React.js, Pandas, NumPy
Tools: Git, GitHub, VS Code

ACHIEVEMENTS & CONTRIBUTIONS

- **Problem Setter** – TCET Shastra Coding Club; designed and curated coding problems for internal club contests to strengthen peers problem-solving skills
- **Green Enthusiast** – Participated in sustainability activities under TCET Green Club in collaboration with UNICEF Maharashtra.
- **1st Runner-up** – TCET Group Dance 2025
